Payment monitoring and analysis are crucial

- Are you getting paid what you expected?
  - Over and under payments
  - Risk corridors

- If not getting paid what you expected:
  - Correct 3M Grouper settings
  - Including all CPT/HCPCS codes
  - Correct diagnosis coding
  - Correct modifiers
  - Payment exceptions
SUMMARY OF OHA & BKD MONITORING PROJECT

- OHA & BKD have partnered to offer monitoring for:
  - Enhanced Ambulatory Patient Groups (EAPG) Implementation
  - Biennium Budget
- Using 837 (claim) & 835 (remit) files
- Two-year monitoring time frame
  - July 1, 2017 – July 31, 2019
EAPG Monitoring
- Outpatient payment methodology transition from fee-for-service to EAPGs
- Claims and remits for Traditional Medicaid & Managed Care Plans
- Utilize 3M EAPG Core Grouping Software

Biennium Budget Monitoring
- Proposed $1 Billion cut to hospitals during 2017-2019 budget
- Inpatient and Outpatient Claims
- Claims and remits for Traditional Medicaid & Managed Care Plans
WHY MONITORING IS IMPORTANT

**EAPG Monitoring**

- Outpatient reimbursement methodology shift from fee-for-service to a prospective payment methodology
- Caveats to the EAPG methodology during the “interim period”
  - Opportunities and potential pitfalls for reimbursement
- Risk corridors
  - Stop loss/stop gain risk corridor of 0-5 percent
WHY MONITORING IS IMPORTANT

**Biennium Budget Monitoring**

- Proposed $1 Billion in cuts to hospitals from 2017-2019
- Cuts on both inpatient and outpatient reimbursement
- Timely Medicaid budget spend reporting to OHA and the Ohio Department of Medicaid (ODM)
- Potential to delay and/or prevent cuts through monitoring
MONITORING PACKAGES: BASE VS. OPTIONAL

Base Package
- Contract directly with OHA
- Includes the following:
  - EAPG reimbursement and risk corridor monitoring
  - Budget monitoring (Inpatient and Outpatient claims)
- Eight quarters of reporting over two-year time frame

Optional Package
- Contract directly with BKD
- Includes the following:
  - EAPG reimbursement analysis for high cost drugs & supplies, lesser of language, flat rate reimbursed services, observation, etc.
  - Payer analysis for your hospital compared to your peer group
- Eight quarters of reporting over two-year time frame
CURRENT PROJECT STATUS

• OHA has contracted with close to 100 Ohio hospitals for the EAPG base package
• BKD working closely with hospitals and health systems to obtain the claim and remit information needed for the project
• Summary package delivery dates subject to getting contracts signed and obtaining claim and remit data
• BKD issuing engagement letters to interested hospitals for the optional package
